Project Overview

Project area
3.100 M²

It is a housing project built on a land area of 3100 square meters.

The project consists of 3 blocks of 14 floors that contain 335 apartments.

The project offers apartment options of 1+1 and 2+1 with areas of 52- 92 square meters.

1.839 square meters of the project dedicated to green areas, and 1.592 square meters dedicated to social facilities.

The project is redefining the home concept with its wide apartments and high-quality materials.

The project has a professional music room with instruments, a party room where you can have fun with your family and friends, a dining room, and a guest room.

The project located in one of the most central locations in Istanbul, in Kagithane area, which offers a high ROI.

The project is suitable for investment that the apartments can be easily rented.

Project Site

The project is located on the European side of Istanbul in Kagithane, one of the fastest-growing areas in the city. Kagithane is one of the most important areas that attract real estate investors due to its central location in the heart of Istanbul. Kagithane is located near Taksim Square and Levent and it is also close to shopping centers, the highways, and Istanbul's third airport. Kagithane is characterized by the availability of main services and the availability of public transportation.
