real estate consultancy

Overview

51.320 m²

The project was built on an area of 51.320 square meters in Ispartakula area.
The project consists of 558 apartments distributed in 6 buildings.

Overview

In the project there is three types of apartments, 2+1, 3+1 and 4+1, were offered to buyers.

Within the project there are social facilities as well as large areas of landscaped areas, walking paths, bike paths, football and basketball fields, multi-purpose hall, prayer room, toilets, fitness center, sauna and more. Green spaces constitute 80% of the project.

Site

The project is located at the intersection of transportation projects such as Canal Istanbul, the express train, the metro and the North Marmara Highway, an area that enjoys solid ground, clean air, lake and sea views, and has high investment potential.

The project is located on the European side of Istanbul in Bahcesehir district, the prestigious and developing face of Istanbul and the new attraction for real estate investments.

Site

Bahcesehir district is famous for its rapid urban development and growing projects. It is also distinguished by its nature, parks, and green spaces.

The project is located near Canal Istanbul, highways, Ataturk International Airport, and Istanbul Third Airport.
