Project Overview

Project area
48.000 M²

It is a housing and investment project has been developed by a well-known construction company in Turkey. The project contains 442 residences, 16 penthouses, and 91 multi offices on a 48.000 sqm flat office, 42 shops on a 25.000 sqm area and a 5-star hotel.

Everything you need for a perfect life is all in this project.

The artful living concept created and supported by the construction company, engraved to the soul of the project, offers a life combined with art.

It supports art not only as exhibitors and shows, but as a part of life existing in every point of the urban life.

Project Site

The project located in Maslak, one of the most sophisticated districts on the European side of Istanbul. Today Maslak is not only a district of Istanbul, it is a window opening to the future in Istanbul and the heart of a city with an enormous change and growth. Maslak district is one of the largest real estate development areas in the city. Maslak is one of the main central districts in Istanbul, and it is one of the fast-growing areas in the city. It is close to transport links that will take you around the city in a few moments, you can access the key areas and tourism landmarks of the city easily. It is the ideal area for investment in Istanbul, where it is a promising for high profits and high returns in investment within few years.
