## Project Overview

Project area  
**17.600** M<sup>2</sup>

The project built in a land area of 17.600 square meters.

The project consists of 4 blocks of 5 floors.

The project is offering you comfortable living spaces along with its flat options from 2+1 to 6+1, broad living areas from 128 m<sup>2</sup> to 440 m<sup>2</sup>, terrace duplex apartments greeting Bosphorus and with loft apartments with gardens.

The delivery date of the project is January 2020.

## Project Site

The project is located in the Cengelkoy district in the Uskudar area, on the Asian side of Istanbul.

Living in Cengelkoy where you can enjoy the magnificent scenery created by plane trees while savoring the smell of the sea, is a privilege.

The ideal location for the project where you can reach the European side of Istanbul via the July 15 Martyrs Bridge , Besiktas, and Taksim in just 15 minutes.

The project is located in one of the most important investment centers in the city, where there are shopping centers, universities, health, and educational institutions. The project is characterized by its location in the Uskudar area and its charming sea views.
