Project Overview

Project area
2.863 M²

In this project, you can live a quiet life on the seashore, and a safe life in the heart of nature, as the project is two minutes away from the beach.

The project is being built in Buyukcekmece district on the European side of Istanbul, which is an attractive and quiet area suitable for holidays and summer vacation.

The project is built on an area of 2.863 square meters, and the project consists of 86 apartments in 3 blocks.

1+1 apartments with garden use are designed on 100 square meters, 2+1 apartments with an area of 110 square meters, and 3+2 or 4+1 duplexes of 210 square meters.

In the project, all duplexes overlook the sea, in addition to the regular apartments there are also apartments with private gardens.

The project will be delivered in March 2022.

Project Site

The project is located in Buyukcekmece district on the European side of Istanbul.

The project is located in a distinctive area that connects you directly to the third airport, near the E5 highway and the E6 highway.

The project is located next to elite schools, hospitals and shopping centers, and the project also provides an advantage by being close to the most important main roads, and the project is only 50 meters from the sea.

Buyukcekmece district is distinguished by its sea view and cheap prices, compared to other coastal areas in Istanbul.
