Project Overview

Project area
8.267 M²

A residential and investment project located in the heart of Istanbul, in Bayrampasa neighborhood, near the city center.

The project was built on an area of 8267 square meters, and the project includes 159 housing units and 30 commercial units.

The apartment options in the project vary between 2+1 and 3+1, so it is suitable for families.

The project consists of 3 blocks with 14 floors, each floor contains 4 apartments.

The project is ready for delivery.

Project Site

The project is located on the European side of Istanbul, in Bayrampasa district, near to Fatih district.

The project has an extraordinary location in terms of its proximity to the highway and public transportations.

Bayrampasa subway station is located at in front of the project entrance and the Demirkapı subway station at in its rear entrance. Also, it is at a close distance of 600 meters to the metrobus.
