Project Overview

Project area
4.223 M²

A luxury residential project, within the modern Basaksehir district, in the European side of Istanbul. The project consists of one building with a number of shops and high-end service facilities. The project consists of 1 block of 7 floors, that contains 59 residences and 7 commercial units. The project offers residential apartments in a classy hotel concept and distinct service facilities. The project offers high investment value and elegant luxury accommodation with appropriate interior designs, and excellent finishes. Beautiful views of the project's internal garden, in addition to a distinctive panoramic view of the Ziya gokalp valley.

Project Site

The project located in Basaksehir district, on the European side of Istanbul.

The project located at a distance close to the medical city in Basaksehir.

It is adjacent to a subway station, and a very important transportation node.

The project is surrounded by a number of important commercial malls, such as the Mall of Istanbul and Olympia Mall.

The project is also located at a distance not far from the Istanbul New Canal project.

The project located near a number of private and governmental schools.
