Project Overview

Project area
20.000 M²

It is a residential and investment project, which was supervised by one of the most famous construction companies in Turkey.

It is the largest renewal project in Turkey, received the award of "Best Urban Renewal Project in Europe."

The project has been renewed by preserving the historical, architectural, and cultural values of Beyoglu area with precision.

Project Overview

It is a brand-new mixed project, promises a full life not only with its offices and residence blocks, but also with its stores, art galleries and location.

Lovers of Istanbul who want to experience the historical and cultural richness of Istanbul such as Nisantasi, Cihangir and Eminonu have many stories to experience in this project.

It is Turkey's first public-private partnership 'Urban Renewal' project where historic values are carefully preserved, is a unique addition to Istanbul's skyline with a construction area of 165.000 sqm and a facade of 220 meters.

Boasting nine blocks and 918 units that offer housing, offices, commercial areas, shopping opportunities and concept streets for social activities, the project is positioned as a new platform for living and investment.

Project Overview

Located in Taksim, in the heart of the city. From Galata, which was enriched with the commercial activities, to Beyoğlu and Pera, where embassies are located, it is a lively destination that meets a wide range of needs.

Taksim, which is home to Istanbul's oldest educational institutions, museums, and exhibitions, is also rich in cultural values.

We are waiting for you in this project to see history from today's perspective and become a part of this innovation.

This residential living experience full of stylish design elements and luxurious details will exceed all your expectations.

Project Overview

The project is surrounded by culture, history, art, and life to enable you to have a different experience with a very rich culture of life in this oldest and most renowned center of Istanbul.

Nisantasi, which is only a few minutes away, where you can have a shopping experience with a wide range of options from luxury brands leading the world of fashion to boutiques that set local trends.

Throughout the project, we complied with the LEED GOLD certification requirements in all the materials and resources used in the Shell & Core, as well as in all the spaces and systems located in the common space such as parking lot, lobby, and wet areas.

Project Overview

Do you need a helping hand for chores? From house cleaning to dry cleaning, our 24/7 housekeeping service will make life easier for you.

All you need to do is tell us when, we will handle the rest.

If you do not have the time to find a parking space, you and your guests have the privilege to use the Valet Parking service.

Our reception desk is open 24/7 to ensure your safety and let you know when your guests arrive.

If anything goes wrong in your house, technical and concierge services are offered as standard to make your life easier.

Project Site

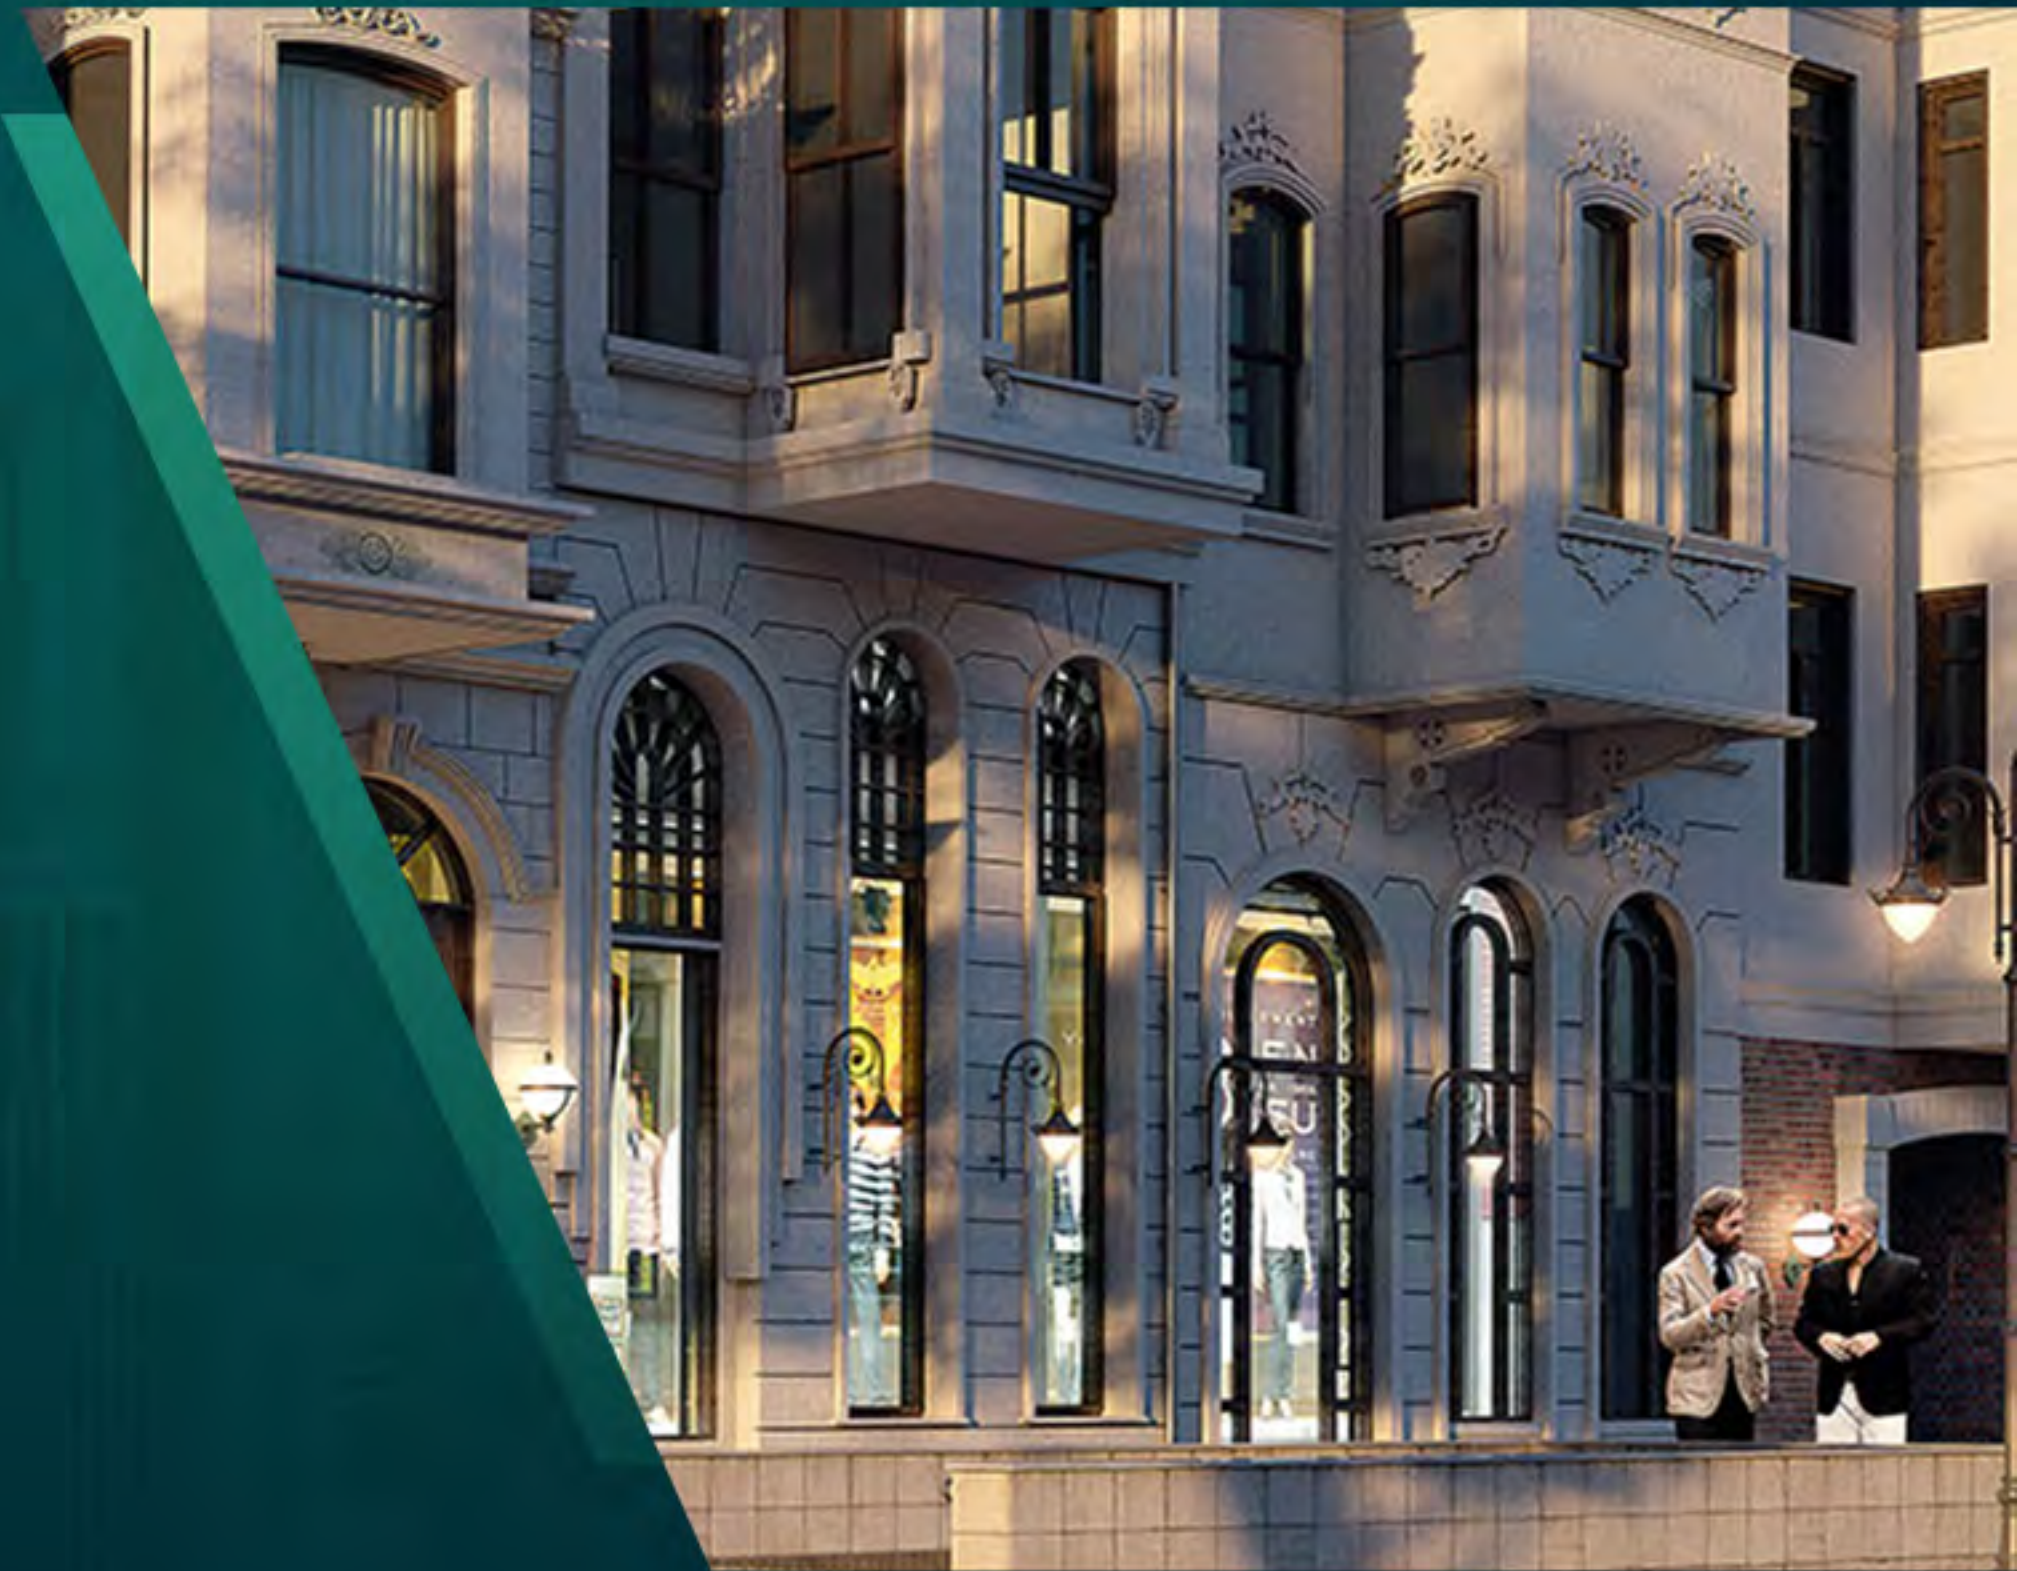

The project is located in Beyoglu district, on the European side of Istanbul, the center of entertainment and life.

The privileged location of the project, a few minutes away from Taksim Square, Nisantasi, Besiktas and other vital areas in the center of Istanbul.

The project is located near Istiklal Street, one of the most vibrant streets of Istanbul, as well as Karakoy, Galata Tower and the famous Taksim Square.

Your home will be just steps away from the city's main highways and roads.

The perfect location in the perfect investment spot in the center of Istanbul, the increasing value of the property.

Project Site

The project is located near Istiklal Street, one of the most famous streets of Istanbul, which contains many shops, antique buildings, libraries, banks, cinemas, cafes, and various local and international restaurants.

The distinctive location of the project is close to the main street and public transportation.

The project is distinguished by its innovative architectural style, as well as its proximity to shopping centers, public transportation, main roads, arts, sports and culture centers.
