## Project Overview

Project area  
**28.800** M<sup>2</sup>

It is a housing and investing project that built on a land area of 28.800 m2.

The project includes shops, ready offices, apartments in hotel concept and boutique accommodation areas in condo system.

The apartment options in the project are different, between 1+1 and 2+1.

The project has a viewing terrace on the 17th floor.

## Project Site

The project is located the European side of Istanbul, in Kagithane area, one of the largest real estate development areas in the city. The distinctive location of the project near to the main street and the public transportation. The doors of the project lead to shopping malls, public transportation, main roads, and to centers for art, sports and culture. Kağıthane district is located in the very center of Istanbul, being on the new airport route, and hosting newly opened universities, which gives the project an investment importance. There is two metro lines lead to Kağıthane district. The project located near to hospitals, universities and schools.
