Project Overview

Project area
9.500 M²

The project built on 9.500 m² land plot, and it contains 440 flats, 26 homes and 50 offices.

The project contains many special features, such as the modern architectural design, an exterior facade covered with perlite allowing the building to breathe, a five-storey parking takes more than 1.019 vehicles, 23 elevators, foldable window-frames and a lofty 4 meters ceiling.

The project combines simplicity and luxury, along with convenient details that offer practicality and pleasure to your daily life.

Project Site

The project located on the European side of Istanbul, in Seyrantepe in Sisli district, which is known as one of the prominent business quarters of Istanbul.

Sisli district considered as one of Istanbul's most famous tourist destinations, which contains luxury hotels, shopping malls, mosques, museums and more.

The project is easily accessible, which many transportation options are available, and it is so close to the highway.
