Project Overview

The project consists of two towers stand 150 meters high in the sky of Istanbul, that contains 721 apartments with different options of 0+1, 1+1 and 2+1.

Project Site

The location of the project in Basin Express indicates that it is within the area of gathering of hotels, large companies, shopping centers, commercial and educational centers as well as hospitals and universities, and this area was specifically designated as the best destination for real estate investment in Istanbul for the years 2019, 2020.

The most prominent feature of this project is its location between the main roads in Istanbul, E5 and TEM Highways which provides easy access to Istanbul International Airport.
