Project Overview

Project area
16.100 M²

It is a residential project built by one of the well-known construction companies in Turkey. For a profitable investment, your property is waiting for you in a district rapidly increased in value, in Kadikoy.

The project is coming to life in Fikirtepe, whose value shows the fastest increase with urban transformation, in Kadikoy, which is one of the most valuable districts of Istanbul, at a perfect point called Prestige Axe.

Project Overview

The project consists of 4 residential blocks, 22 floors for each block, that includes 830 luxury apartments, and 20 shops.

There are 526 1+1 apartments, 261 2+1 apartments and 43 3+1 apartments available in the project.

Residence flats have been prepared to be used as offices and home offices in the management plan. The areas of the apartments vary between 50 and 130 square meters.

The project contains five parking floors. The project offers open city and Camlica tepe view for all apartments.

Full facilities within the project, to enjoy your residence with your family and loved ones.

The project is under-construction but the title deed is ready and it is suitable for Turkish citizenship.

Delivery date of the project after 2 years.

Project Overview

It is the third project in Fikirtepe, where urban transformation is most intense in Istanbul.

The project was designed with the most innovative and extraordinary perspectives of today, inspired by the lines of the future.

The futuristic simplicity and minimalist attitude of its 4 towers, three of which have 23 floors and one with 22 floors, combined the modernism of the past with the technological imagination of the future.

The project represents an impressive combination of architectural creativity and perfection in every respect.

The project built on a land area of 16.100 sqm total area.

Project Site

The project is located in Fikirtepe district in Kadikoy area, on the Asian side of Istanbul.

The project is located in the most vibrant neighborhood in Kadikoy area, near cafes, restaurants, universities and daily services.

The project is surrounded by 3 large universities such as (Istanbul Medeniyet University, Bahcesehir and Marmara University).

The project located close to all transportation, such as the metrobus station, Kadikoy metro station and Marmaray metro station.

The project is located opposite the famous Akasya Mall, one of the largest shopping centers in Istanbul, which includes many international brands.

These apartments are located in the heart of Fikirtepe, an area that is being renewed day by day, with a wide range of social facilities.
