Project Overview

The project is one of the newest buildings in the Kucukcekmece area on the European side of Istanbul.

The project consists of only 2 blocks with a height of 12 floors.

The project offers a variety of apartments from 1+1 to 4+1 with full services to ensure luxury, tranquility, and a distinctive family atmosphere.

The project is distinguished by its central location, making it easy to reach all areas of Istanbul, in addition to its direct view of the lake.

Project Site

The project is located in the Kucukcekmece area and has a direct view of its wonderful lake, which forms part of the new Bosphorus, the new Istanbul Canal project, the largest projects on the global level, and is a distinctive and fully serviced area with public parks, schools, and public services, in addition to shops, restaurants, and shops to meet all daily needs.

The project is two minutes away from the Marmaray metro station, which connects the project area to the metro network that extends to the whole of Istanbul, with its Asian and European sections.
