Project Overview

The project is built in the center of Istanbul in Gaziosmanpasa area, its construction works are underway at great speed, the first phase of the project consists of 400 apartments, 42 offices with a 7% rent guarantee, and 43 shops.

The project has more than ten different types of apartments with areas starting from 79 to 204 square meters.

The project meets all the requirements of modern life and stands out with its innovative architecture. Most apartments have a panoramic view of Istanbul city.

The project, which enjoys a privileged location in the middle of Istanbul, grants the project residents complete comfort and peace of mind all the time, and it is one of the best investment options.

Project Site

The project lies in the most important location of the Gaziosmanpasa area in the center of Istanbul.

The project attracts investors and residents alike thanks to its proximity to the Mahmutbey - Mecidiyekoy Metro station, also it is only two minutes away from the E80 international highway, and 350 meters away from the Recep Tayyip Erdogan Youth Park.
