Project Overview

Project area
74.000 M²

The project was built with the supervision of Turkish state construction companies , with government guarantee .It is a residential , investment and commercial project built on a land area of 74.000 square meters , 80% of this area has been allocated to green areas , parks and public facilities within the project . The project consists of 5 blocks with 512 residential units ranging from 1+1 , 2+1 , 3+1 , 5+1 , 4+2 and 6+2 duplexes , ranging in size from 66 to 430 square meters .90% of the housing units and offices in the project are overlooking the Sea of Marmara .The project is supported by a system of earthquake and seismic protection , where the foundations were excavated to a depth of 20 meters and the use of reinforced concrete and moisture-resistant sea . At the bottom of the project are warehouses where a storage unit is allocated for each housing unit .

Project Site

In this project , you do not have to worry about the transportation , as different transportation options are available .

In this project , you will be in the heart of Istanbul and away from the chaos .

What is more beautiful than dreaming , is to live your dream reality , Atakoy area today contains housing projects that was originally a dream .

Atakoy area has a central location , high investment value and luxury life style .
