Project Overview

Project area

26.000^{M²}

This project represents a functional and ideal life in the center of the city.

For a happy life, a very special living space project designed down to the last detail for an enjoyable life is raising.

The project comprising of 3 towers, each with 23 floors, built on a land of 26.000 Sqm in total.

An enjoyable life is waiting for you with outdoor and indoor swimming pools in each tower, as well as fitness, spa, steam rooms, walking parkour, playground and shopping facilities enabling you to meet all your needs without going away from your home.

Furthermore, it offers a tranquil and peaceful living space focusing on efficient and correct use of the land, energy and water.

Peaceful lifestyle is waiting for you where you can see the sea from your window.

Project Overview

You will never drift away from city or nature in this project.

You can be a part of the changing lifestyle of Fikirtepe with this project. With its all-purpose elegant shops, large and spacious living spaces, outdoor and indoor swimming pools, this complex changes the lives of its owners and also sets a course towards Fikirtepe developing with change.

You may cater all needs of your house without having to leave your complex, thanks to the shopping facilities of the project. Rules of a healthy life are now re-set. The sports center within the complex aims to ease your life for fit and active experience thanks to its facilities. Now doing sports will be much more enjoyable for you.

Project Site

The project located in Kadikoy area on the Asian side of Istanbul. Kadikoy is the favorite spot for high-class families and tourists from all over the world.

It's a prestigious neighborhood where the sea and Baghdad Avenue will be your neighbors.

The project has a convenient location offering easy access to bridges, airport and Kadikoy - one of major centers of Istanbul - and public transport facilities.

The project is located in the center of Anatolian side, at the heart of rapidly developing and improving province, Fikirtepe.

Located on the new attraction called Mandira Street, the project has become the leader of change in the area thanks to its easy accessibility and luxurious design.

You may find everything you wish in these towers and its surroundings from textile to food, every kind of stores is waiting for you in Mandira Street.
