## Project Overview

**271**  
Apartments

The project comprises 271 flats, in which the sizes of flats vary from 2+1 to 4+1 which offer all the privileges experience to reside in a private residential estate with its open and closed car parks, specially designed landscape, social facilities, basketball courts, and playgrounds.

The project has been designed with an "ideal size" concept for which you will pay less while purchasing and living in them.

## Project Site

The project located in Bahcesehir area on the European side of Istanbul.

The project is located in the north of Bahcesehir, the new center of Istanbul, and on the 3rd airport project and 3rd bridge link roads.

The project located near the hospital, schools, shopping malls, and all the essential services.
