Project Overview

Project area
44.000 M²

The project built on a land area of 10.000 square meters with a total of 44.000 square meters.

The project consists of two blocks with 22 and 23 floors.

The project contains 270 housing unit.

The project provides 2+1, 3+1 and 4+1 apartment options.

The apartment areas in the project ranges between 99- 156 square meters.

The project took its place among Istanbul's unique sea view residential projects.

Comfortable life awaits you with favorable payment conditions and houses for sale in this project.

The project, which will reveal its difference among Istanbul housing projects, is waiting for its investors in Kartal.

Project Site

The project is located in Kartal district, on the Asian side of Istanbul.

Kartal area is one of the business and life centers in the Asian side of Istanbul.

With its privileged location, the project will both save time and provide easy access to everywhere.

The project attracts attention with its approximate to E5 highway, as well as its proximity to the sea.
