## Project Overview

Project area  
**63.474** M<sup>2</sup>

Open your doors to a happy life with your loved ones in the heart of Basaksehir district on the European side of Istanbul.

This project invites you to live a happy life with its spacious courtyards where you can breathe comfortably with your loved ones, and it offers modern and carefully designed apartment options, shops and cafes and restaurants that meet all your needs, in addition to its valuable location that provides you with ease of movement in the city.

## Project Overview

Whether you are taking a walk in the park, enjoying a morning exercise, or relive the moments of your day during an evening walk, you will feel the peace and security of the surroundings of the project that allow you and your children to run and play freely.

You don't need to go far or to alternative places where you can celebrate your special days and have fun with your friends in wide yards surrounded by green nature and stunning views.

Modern apartments designed with all the amenities you can imagine, overlooking the green landscape in Basaksehir, are the preferred choice for those who prioritize their comfort.

## Project Overview

The project built on a total area of 63.474 square meters in Basaksehir district of European Istanbul, and the project includes residential and commercial units.

The project consists of 14 residential buildings in total, and includes 375 housing units varying between 2+1, 3+1, 4+1, 4+1 duplex, 5+1, 5+1 duplex, and 6+1 duplex.

This project is the perfect choice for you and your family with the courtyard designed for you to have a good time and the commercial units that founded to meet all your needs.

The project provides you with the most comfortable and most enjoyable service in the social facilities that we offer to you and your loved ones. The project has a sauna, indoor swimming pool, sports centers, a fitness room, wide green areas, walking areas and playgrounds for your children.

## Project Overview

This project combines the simplicity of modern architecture with the grandeur of the construction of antiquity.

Unforgettable moments await you in this tranquil project where restaurants and shops line the walking paths that integrate with the green landscape area.

Living in this project is sure to raise the quality of your life and achieve the high standards you dream of.

## Project Site

The project provides you with a quiet life in the city center and also makes your life easier through its privileged location in Basaksehir area.

It is possible to reach every point in the city through metro stations located next to the project.

The project is located near Sakura Hospital, the TEM highway, and Basaksehir Park, 25 minutes from Istanbul Airport and 15 minutes from the North Marmara Highway.

In this project, Canal Istanbul will be very close to you, in addition to the connections of the North Marmara Highway and Istanbul Airport.

The project will add great value to your daily life and investment through its unique location and the wide transportation options available in the area.
