## Project Overview

Project area  
**15.000** M<sup>2</sup>

It is a residential project developed by an experienced construction company in Turkey.

The project built on a land area of 15.000 m<sup>2</sup> , and consists of a single block, and has 130 apartments and 5 stores.

## Project Site

The location of the project in Basin Express indicates that it is within the area of gathering of hotels, large companies, shopping centers, commercial and educational centers as well as hospitals and universities, and this area was specifically designated as the best destination for real estate investment in Istanbul for the years 2019, 2020.

It is close to the seaport of Bakirkoy (15 minutes), Mall of Istanbul, the largest mall in Europe (5 minutes) and the metro, which will be opened soon in that area (only three minutes away from the project site).
