Project Overview

1 Units
81

It is a housing and investment project that built on a land area of 4000 square meters.

The project developed by a well-known construction company in Turkey.

The project consists of 2 blocks that contain 181 houses.

The project offers apartment options from 1+1 to 3+1 with areas from 43 to 197 square meters.

The project is ready for an immediate move.

Project Site

The project is located in the Maltepe area, on the Asian side of Istanbul. The project designed in Maltepe, the most advantageous location, at the crossroads of the metro-bus lines transfer stations, and highways. The project is located in close proximity to the city's most refined districts. This includes one of Istanbul's most well-known shopping and leisure avenues, Bagdat Caddesi, and the vibrant Marina, offering an exceptional variety of boutiques and restaurants.
