Project Overview

Project area
18.079 M²

The project was built on a land area of 18.079 square meters, and the project consists of 3 buildings, the first tower consists of 42 floors and the second tower consists of 30 floors and another building, and the project includes 599 housing units, 60 offices and 18 stores.

The project has been aimed to be the best example of mixed-usage projects in Istanbul. It is one of the most comprehensive projects offers apartments, residences, shopping stores, offices as well as a 5 stars hotel.

Project Overview

This project, which has won acclaim with its thoughtful design, comes to life with the privilege of Tahincioğlu construction company.

This project introduces you to the concept of accessible luxury.

Bringing the beauties of old Istanbul to today with its history of more than 100 years, Bomonti promises 100% high end life in this project.

Developed with Tahincioğlu's expertise in mixed projects, the project offers the pleasure of a view to those who want it, a terrace to those who want it, and a garden to those who want it, with its well-thought-out and well-planned project.

Life in this project becomes even more impressive as you go up.

Project Overview

Well-planned, spacious kitchens, delightful and tasteful rooms and an advanced design approach increase the value of your home along with the quality of life.

When you own a house in this project, you both live in the heart of the city and enjoy the social areas at the heart of the project.

After enjoying the pool and sunbathing on the terrace, you can walk to the first and only square of the area and choose the restaurant you want.

After your meal, you can pass through the walking paths and reach the sitting and resting areas with pergolas that are exclusive to you.

You can enjoy the ornamental pools and artificial hills.

Project Overview

The 39-floors residential tower reveal an extraordinary view of Istanbul and the historical peninsula.

The interior quality of the project contributes to the elegance of living spaces.

The architectural approach, which focuses on pleasure and aesthetics, reveals itself with quality applications.

The feeling of freedom offered by the wide facades is a distinctive, valuable and impressive feature of the project.

The halls that allow the decoration of your dreams and the balconies that increase the enjoyment of life will make you feel that you are the owner of a wonderful home every day.

Project Overview

You can experience this pleasure every day in the social areas of the project.

Luxury apartments in the city center Sisli area waiting for you.

Luxury homes located at a close distance to Nisantasi, Taksim and Bosphorus.

Your life will change by living in this comprehensive project with its excellent social facilities and perfect location.

The project is managed by Rotana hotels management.

The project offers panoramic views of Istanbul city and the Bosphorous.

Project Overview

A limited number remaining of units in this project, so don't miss the opportunity for a profitable investment.

The safest investment is real estate investment, and the perfect choice these apartments.

High rental potential in the center of Istanbul.

This project is suitable for obtaining Turkish citizenship, and Right Home provide these services for our customers free of charge.

This project is suitable for obtaining Turkish citizenship, and Right Home provide these services for our customers free of charge.

Project Site

The project is being planned in the center of Sisli, specifically in the fast-growing Bomonti district.

The project located in one of the most popular districts on the European side of Istanbul, Bomonti, the growing region that attracts investors' attention currently, and recognized by easy access to most of the vital places in the city, and its proximity to the shopping centers, airports, hospitals, universities, and schools.

A mixed project close to Beyoğlu, Beşiktaş and Maslak axis may seem like a dream to you.

Now you can add to this dream the comfort of being located at the intersection of important transportation routes.

Project Site

After leaving your house, you can walk to Mecidiyeköy, Şişli and Nişantaşı in minutes.

You can reach the beach with Dolmabahçe tunnel and the TEM highway with Kağıthane tunnel.

You can connect to life with Şişli / Mecidiyeköy and Osmanbey metro stations, which are within walking distance.
