Project Overview

Project area
11.000 M²

The project was built on a land area of 11,000 square meters, and it consists of 3 blocks that contains 496 residences and 33 commercial areas.

The project offers apartment options ranging from 1+0, 1+1, 2+1 and 5+1.

Project Site

The project located on the European side of Istanbul, in Beylikduzu district, which is known as one of the most promising areas with a high investment return due to the availability of public transport, shopping malls, educational and health services, and its overlooking Marmara Sea directly. The project is close to the sea, it is only a few steps then you can sit in front of the beach and enjoy the sound of waves.
