Project Overview

There are 121 independent sections in 21 floors this project. In addition to different types of flats consisting of garden duplexes, mezzanine flats and penthouses, home offices arranged in 1+1+1 and 2+1+1 plans are also included in the project.

There are many alternatives in residences, from 1+1+1 flats of 135 m² to 6+1+1 penthouses of 1.124 m².

In home offices, units between 138- 196 m² are designed in 1+1+1 or 2+1+1 plans.

The project represents modern apartments dominate the district of Nisantasi, the most luxurious district in Istanbul.

With its modern exterior and functional square meters, the project offers a life intertwined with green in the heart of Nisantasi.

There are hobby areas designed according to the needs, with social areas such as landscape area surrounded by vertical gardens, indoor car park, pool, sauna, fitness and spa.

The designer of the project shows his respect for the essence of the building in his architectural material selection. It repeats the modern and calm stance of the period it was built with today, with new touches.

The spaces in the project have been re-designed skillfully and, in a way, to allow for current needs.

Project Site

The project located on Nisantasi district on the European side of Istanbul, in Sisli area. Nisantasi district is one of the most beautiful areas of Istanbul, where it is characterized by many shopping malls, high fashion stores, and international luxury brands, in addition to the spread of cafes and restaurants that built in the classic European style. Nisantasi is one of the most prestigious neighborhoods in Istanbul, and it is an excellent choice for many families of visitors and tourists for a pleasant holiday. Nisantasi is the home of Istanbul's most fashionable markets, with couture houses, international brands and boutiques from well-known designers, such as Louis Vuitton and Chanel. Nisantasi is a vibrant neighborhood, where shops and restaurants are visited in large numbers of people during the day.
