Project Overview

Project area

25.000 M²

The project is developed by one of the well-known construction companies in Turkey.

A spacious and luxurious lifestyle project, built on a land area of 25.000 square meters.

The project consists of 8 blocks that contain 304 apartments.

The apartment options in the project ranges between 2+1, 3+1 and 4+1.

A spacious family life full of pleasure, prestige and comfort.

Spacious apartment options planned with horizontal architecture, a magnificent view, social areas where you can have a pleasant time with your family and loved ones.

In this project, you can find many of your favorite shops on the lively shopping street.

Project Site

The project is located in the Esenyurt area on the European side of Istanbul.

The project is located in one of the best residential neighborhoods in which schools, hospitals, and all services are available that meet your needs and the needs of your family. The project located in a vital area near metro, schools, universities, hospitals, parks and other essential services.
