Project Overview

Project area
1.720 M²

The project was built on the land area of 1.720 Sqm. It consists of 2 blocks and contains 92 residences.

The project offers parking lots and other social areas to the residents.

This project is inspired by your dreams, invites you to live in the center of the city.

In the heart of the European side, we offer a peaceful and quality living space without losing its value over the years.

Project Overview

We meet your expectations with our apartments with high standards of comfort and confidence that you are looking for.

Everything you need for a pleasant and quality life, we have brought together for you with in this project. All you have to do is enjoy your new life.

It appeals to different tastes with the various floor plans offered by modern architecture.

Every detail, from flooring to lighting, from wet floors to doors, has been created as a result of meticulous work.

Quality materials that you can safely use for many years have been brought together and presented to your liking.

Everything you need for a pleasant and quality life has been brought together for you in this project.

We all want to have a warm home where our daily hustle and bustle ends. For this, besides a safe and quality house, we also need beautiful places where we can collect good memories.

Project Site

The project is located on the European side of Istanbul, in Alibeykoy neighborhood in Eyup district.

Add value to your future with the developing location of the project.

The project located in Guzeltepe, one of the most special locations of Alibeykoy, which has become a center of attraction recently.

The project has a strategic location only 100 meters from metro station and 500 meters from public bus station and it has access to many universities and institutions.

The special location of the project, where it is located 150 meters walking distance from the metro station. Also, other transportation alternatives located around the project.

It will be an ideal living space in the center of life in Istanbul, with its distance of 700 meters to Halic AVM and 1 km to Alibeykoy State Hospital.
