Project Overview

Project area
21.000 M²

It is a housing and investing project built on a land area of 21.000 square meters.
The project consists of 8 blocks that contain 327 houses.
The project offers apartments types of 1+1, 2+1, 3+1, and 4+1 with different areas and options.
The apartment areas ranging from 52- 486 square meters.
The project will add value to your future while enjoying life in peaceful gardens.

Project Site

The project located next to the gigantic Kanallstanbul project planned to be constructed will be one of Istanbul's most valuable and spacious projects with the opening of 3rd Airport.

The project is near to Europe's largest health center, SağlıkKent, which is under construction.

The project located in Ispartakule, the rising region of the European side. It is located within walking distance to the ongoing construction of the new metro station and at the intersection of important transportation networks of Istanbul, such as the European Highway and the North Marmara Highway.
