Project Overview

Project area
12.666 M²

It is a housing and investment project, built on a land area of 12.666 square meters.

The project offers apartment options for 1+1 and 2+1.

The project has a unique architecture and 5-star hotel concept.

In this project, beautiful views, shopping stores, and green areas will be part of your life.

The project has green areas of 10.000 square meters.

The project located in the center of Basaksehir area on the European side of Istanbul, close to Istanbul Airport (only 12 minutes).

Project Site

The project located in Basaksehir district, on the European side of Istanbul. It is adjacent to a metro station, and a very important transportation node. The project is surrounded by several important commercial malls, such as the Mall of Istanbul. The project is also located at a distance not far from the Istanbul New Canal project. The project located near several private and governmental schools. The distinctive location of the project in the most attractive areas for foreigners to buy a property, because of the integrated services for residents and high investment returns for investors.
