Project Overview

The project is all about living a more serene life, enjoying each sunrise and sunset with a sense of renewal.

Situated in a peaceful corner of Türkbükü, an idyllic village on the Bodrum Peninsula, this project is a residential and hospitality complex that brings together a variety of villas, residences, supported by a hotel, offering a year-round secluded and tranquil Mediterranean living experience, away from the hustle and bustle of the city.

Project Overview

Located on the Türkbükü coast, The Swim Club, is a 'beach club' and cocktail bar, providing a cozy atmosphere to relax beside the sea.

Combining niche living spaces with fascinating experiences, gastronomic adventures, and flawless service, the project adopts a life philosophy full of indulgences.

This amazing project surrounded by vast greenery and a mighty Aegean landscape.

Bodrum is a popular destination for discerning travelers with its rich history and culture, temperate climate, fine food and stunning natural beauty.

This project offers year-round relaxing yet luxurious accommodation opportunities comprising of 8 villas, 71 fully furnished residence units, and a 15-room boutique hotel, enabling the perfect experience for all the seasons in Bodrum.

Project Overview

The project brings together extensive facilities and amenities available to the residents, including a restaurant and bar, SPA, fitness center and an outdoor pool.

The trekking paths and resting decks sprawled around the property allow residents to explore the stunning natural environment.

The project built on a total of 30 acres of land. There are 8 blocks in the project. Villa, residence and hotel concept go together.

There are 8 Villas, 71 residences in total. There is 1 villa in each block. Also, it will be a hotel with 15 rooms within the project.

Villas with panoramic sea view, fully furnished residences with valley view, concierge and full hotel service, all of these privileges and more in this project.

The delivery date of the project and the title deed is December 2021.

Project Overview

The project comprises 8 private villas with an open plan design that brings the magnificent Aegean Sea and valley views to their spacious interiors.

The 71 exquisite residence units are finished with custom made furniture.

The hotel has within the project has 15 rooms that provide guests with lavish accommodation while providing 5-star hotel services to the comfort of one's home.

The complex houses a fine restaurant and bar, a SPA, a fitness center designed by GymHolix and a bespoke large glass-floored swimming pool, each and every detail is intended to make life more stress-free and enjoyable.

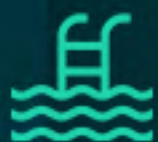

The project provides residents with easy access to the seaside.
