## Project Overview

Project area

15.000 M<sup>2</sup>

Today is a completely different day for those who seek happiness and peace. It is a day to say hello to a world full of joy and comfort, a day to step into a life equipped with unique privileges in the shining center of Istanbul, Güneşli.

Your apartment is waiting you in Basin Express Road, the rising value of Istanbul, is becoming an extremely dynamic and attractive center with the contemporary buildings built in the surrounding.

While congested and unplanned urban centers lose their appeal, Güneşli is becoming more and more popular with its regular and impressive structure.

## Project Overview

Moreover, everything that makes the city a city is in your immediate vicinity. Schools, hospitals, shopping malls, hotels, business centers, congress halls, theaters, cinemas and more, they are all right beside your house.

The project provides 1+1, 2+1 and 3+1 apartments types.

Since it is located at a high point, it gives a sense of spaciousness with its airy and dominant position.

The project consists of 314 houses in 4 blocks. The blocks were designed as 11 and 12 floors. You will enjoy the comfort of world brands in your kitchen, bathroom and living room.

## Project Overview

Built-in products, ceramics, parquets, batteries and sanitary ware will bring you to the peaks of quality with their high standards.

Green and nature gardens, dreamy walkways with ornamental pools, a pleasant world that will make you enjoy the garden and nature in the city. In short, a life intertwined with nature, 70% of the project is dedicated for green areas!

You will have the opportunity to swim in the indoor pool in summer and winter, and you will stay in shape in the fitness center.

In addition, you will regain vitality in the sauna, Turkish bath and steam room, and of course you will finally start your new days rested under your safe roof.

A real investment as bright as the sun is waiting for you in this project. Those who prefer this quality are waiting for an opportunity whose value will be better understood over time. Those who chose this project are profitable.
