Project Overview

Project area
14.500 M²

A residential and investment project located in the center of Merter on the European side of Istanbul.

The project is built on an area of 14.500 square meters.

The project consists of 3 buildings with 248 apartments as follows: In the A1 building, there are 8 apartments on each floor, in the A2 building there are 11 apartments on each floor, in the A3 building there are 12 apartments on each floor, in addition to 155 commercial stores.

The project includes a 3 floors car parking with a capacity of 750 cars.

The project includes various options for 1+1 and 2+1 apartments with areas ranging from 65 to 185 square meters.

Project Site

The project is located in the center of Merter on the European side of Istanbul. This site is characterized by vitality and population density, as the Merter area is distinguished by its proximity to major banks such as Kuwait Turk and Ziraat Bank, which are only a few meters away from the project. The project is characterized by its proximity to Turkish private and public universities, such as Yildiz Teknik University. The project is surrounded by garment factories, fabrics, and wholesale clothing stores, which gives a key strategic location to this location as it is the meeting point of traders from all countries. The project is located near many malls like Marmara Forum in Olive Borno and also the kale outlet mall which is just meters away from the project.
