## Project Overview

It is a housing and investing project, with a hotel concept, located in the heart of Istanbul, in the Sisli area. A glamorous life at the heart of Istanbul with a unique Bosphorus view waiting for you in this project, with its architecture designed by Emre Arolat, its unrivaled location, and social life facilities. Our residences and offices in this project will offer you the opportunity to enjoy being right at the center of this city that never sleeps and experiencing all the rhythm and colors of Istanbul to the fullest. The most exclusive shopping malls in the city are at your doorstep.

## Project Site

The project is being planned in the center of Sisli, the fast-growing district.

The project located in one of the most popular districts on the European side of Istanbul, Sisli, the growing region that attracts investors' attention currently, and recognized by easy access to most of the vital places in the city, and its proximity to the shopping centers, airports, hospitals, universities, and schools.
