Project

## Overview

9,000 m<sup>2</sup>

This project has been constructed by Osmanoğullari inşaat company.  
The project has a land area of 9.000 sqm.

## Project Overview

There are 6 blocks in this project with 8 floors and a total of 251 flats and 13 shops. The project is suitable for profitable investment and suitable for Turkish citizenship.

## Project Site

The project located in the European side of Istanbul, in Bahcesehir Area, which is following Arnavutkoy Municipality. Istanbul University and many international private and public schools are located very close from the project.

## Project Site

The project is located at the intersection of transportation projects such as Canal Istanbul, the express train, the metro and the North Marmara Highway, an area that enjoys solid ground, clean air, lake and sea views, and has high investment potential.

The project is located on the European side of Istanbul in Bahcesehir district, the prestigious and developing face of Istanbul and the new attraction for real estate investments.
