## Project Overview

Project area  
**13.000** <sup>M<sup>2</sup></sup>

In the heart of Taksim, one of the most popular areas of Istanbul, this project was constructed,

The project is built on an area of 13.000 square meters.

The project provides investment and residential apartment options that vary between 1+1, 1.5+1 and 2+1, with garden and duplex models.

The project has wide terraces and balconies for most of the apartments.

The project is surrounded by many shops, restaurants, and more than nine universities, making the project area a vital area.

The project provides a dynamic environment close to commercial life, entertainment places, art and culture centers in the heart of Istanbul.

## Project Site

The project is located on the European side of Istanbul, in Sisli district in the center of Istanbul.

Sisli area is currently attracting investor interest, as it is characterized by easy access to most vital places in the city, and its proximity to shopping centers, hospitals, universities and schools.

The project is distinguished by its innovative architectural style, and is also characterized by its proximity to shopping centers, public transport, main roads, and centers of arts, sports and culture.
