Project Overview

Project area

14.500^{M²}

In this project, you will wake up in a green environment every morning.
You will start the day from the point where you can breathe the freshest air in Istanbul.
You will be able to take a look on the Princess Islands from the highest point of Istanbul.
We give you the chance to spend time as much as you want in the nature with your beloved ones without having to leave the city.
Start a brand-new life in a safe neighborhood with your family.
Modern properties for sale in Asian Istanbul.
We designed living spaces for you to live your most precious moments with your beloved ones.

Project Overview

With our earthquake-proof structural design, a healthy environment awaits you where you will live safely with your family.

The project built on a land area of 14.500 Sqm.

A peaceful life awaits you with its social areas, shops, modern architecture, panoramic view, spacious flats from 1+1 to 3+1 loft.

There are 360 flats in the project, which is planned as 4 blocks in 3 parcels.

The project includes comprehensive on-site facilities for have a pleasant time with your family, includes swimming pool, walking paths, playgrounds and more.

Apartments in the project have a charming view of the sea and the Islands.

Project Site

The project located in Kartal area on the Asian side of Istanbul. Kartal is one of the most reliable and livable districts of Istanbul with its unique panoramic view.

The special location of the project just 5 minutes from the E5 highway. Your apartment will be a few steps to the metro station.

The perfect location of the project near Aydos Forest on the Asian side of Istanbul.

Aydos Forest, one of the rare forest areas in Istanbul, welcomes many visitors with its magnificent natural beauty and clean air. With a height of 537 meters, it is the highest point in Istanbul and has a unique view. This area, which includes Aydos Pond and Aydos Castle, is a unique place for those who do sports, walks or picnics.
