## Project Overview

Project area  
**118.000** M<sup>2</sup>

The construction company, which has built a brand new district in Atakent with its 3 projects, now greets Atakent with the most beautiful piece of the series.

This project which is rising on a construction area of 118.000 sqm on a land area of 23.300 sqm, and it consists of 4 blocks.

The project offers apartment options from 1+1 to 4+1 that will meet different expectations.

## Project Overview

It provides a bright and spacious life with its design that makes use of natural light.

The project contains 519 apartments and commercial units, reflects the happiness inside with its balconies and terraces.

If there is anything more beautiful than making people happy, it is to make happiness permanent.

You will feel the difference with every detail and every line. The most distinguished reflections of contemporary architectural understanding will integrate with your life.

The concept of standard will be reshaped for you. You will reflect the happiness inside your home with its spacious halls, comfortable kitchen and balconies.

## Project Overview

Thanks to the green areas, reflection pools and the walking paths surrounding them, the city and tranquility come together in this project.

Thanks to its colorful gardens and landscaping shaped by water, you will live life in the freshness of spring all the time.

## Project Site

The project located on the prestigious and well-known Halkali Avenue surrounded by transportation networks.

It is located in the center of attraction of Istanbul which is very close to E5 and TEM Highways, Ataturk International Airport, hospitals, shopping centers, universities and five stars hotels.

Get ready to reach perfection in an area surrounded by transportation networks on Halkali Street.

E5 highway is very close to you, and TEM road too.

It is in a perfect location that can be reached from all directions, whether by public transport or by private car.
