Project Overview

Project area

5.359^{M²}

It is a housing project built on a land area of 5359 square meters.
The project provides different types of flats, offices and shops.
The project contains 154 houses, 51 offices and 18 shops.
The flats areas in the project ranges between 80- 168 square meters.
The project is ready for immediate move.

Project Site

The location of the project in Basın Express indicates that it is within the area of the gathering of hotels, large companies, shopping centers, commercial and educational centers as well as hospitals and universities, and this area was specifically designated as the best destination for real estate investment in Istanbul for the years 2019, 2020.

The most prominent feature of this project is its location between the main roads in Istanbul, E5 and TEM Highways which provides easy access to Istanbul International Airport.

The project is located at the meeting point of the two main streets (TEM) and (Basın Ekspres), and this site is an important transportation hub in Istanbul.

The project is located in an area surrounded by the most important real estate investments and high-end facilities, which is an area close to the new Istanbul Airport, so this project guarantees profits.
