Project Overview

Project area

28.156^{M²}

This project represents a hidden paradise with nature in the heart of the city.

A very special project in Altunizade, the favorite district of Istanbul, adjacent to the most central grove of the Anatolian side, right next to the first bridge, bringing luxury and greenery together.

Don't compromise on your dreams when choosing what's best for you and your family.

We have implemented this project so you do not get away from the calm, peace and comfort while you want to be at the center of life!

Thanks to this project, we offer you the beauty of nature and the comfort of the city together.

Project Overview

The project built on a land area of 28.156 Sqm. It consists of 13 blocks, that contains 196 housing units.

Different apartment options available in the project 2+1, 3+1, 4+1, 5+1 and 6+2.

A modern life awaits you in this project with its simple and elegantly designed bathrooms and kitchens, underfloor heating system and advanced security features.

The project includes social area that will give you and your family pleasant moments.

The project is ready to move, and the title deed is ready, and it is suitable for Turkish citizenship.

Project Site

The project located in Uskudar area on the Asian side of Istanbul. Uskudar is a favorite district for tourists, it has a beautiful sea side and it includes many touristic places such as Kiz Kulesi, Camlica Mosque, Camlica Tower and many other.

Uskudar is a central area in Asian Istanbul, that contains many schools, universities, hospitals, shopping malls and other services and facilities. Privileged location with easy access to almost everywhere.

The unique location of the project where you can easily reach many important points such as the airport, the bridges, the metro station, the metrobus and different hospitals.
