Project Overview

Project area
14.000 M²

It is an under-construction project located on the Asian side of Istanbul in Sancaktepe area.

The project consists of 7 blocks, it contains 217 apartments, and the construction works in it continue quickly.

The project attracts investors and residents alike due to the presence of 32 different types of apartments, ranging between 68 to 486 square meters of area.

The project meets all the requirements of modern life and stands out with its innovative horizontal architecture.

Project Overview

The project includes 12 shops with areas range between 98 to 367 square meters, and these stores meet the people's daily needs.

Most of the residential apartments overlook the inner courtyard of the project.

The project with its large green spaces, makes the project residents enjoy complete comfort and peace of mind all the time.

The project is considered one of the excellent investment opportunities in the Asian Istanbul, where next to it there are the Sancaktepe municipality building and the City Hospital in which 15 thousand employees work and has 4.100 beds.

The project area is 14.000 square meters.

70% of the project area is green spaces.

The project includes 7 residential towers ranging between 4 and 11 floors.

Types of apartments in the project: 1+1, 2+1, 3+1, and 4+1.

The finishing of the project is super deluxe.

Project Site

The project is located in the most important area of Sancaktepe in Asian Istanbul.

This project is located in one of the most important transportation points in Istanbul and in Sancaktepe as well, where it has a special location near the Sultan Yavuz Selim Bridge, and it is 21 km away from Sabiha Gokcen Airport, 700 meters from Abdurrahman Gazi Metro station, and 2 km away from the international highway E5.

The project is located in one of the most prestigious residential areas in Istanbul, surrounded by several malls, parks, and forests good for picnics.
