## Project Overview

Starts from  
**100** M<sup>2</sup>

It is a housing and investment project that built by a well-known construction company in Turkey with experience of 44 years in this sector. The project located in Basin Express area, the new investment center in Istanbul. The project offers apartments options starting from 0+1 to 3+1.

The project includes social and entertainment facilities to give you and your family a comfortable life. 70% of the project are dedicated to green areas.

## Project Site

The location of the project in Basin Express indicates that it is within the area of gathering of hotels, large companies, shopping centers, commercial and educational centers as well as hospitals and universities, and this area was specifically designated as the best destination for real estate investment in Istanbul for the years 2019, 2020.

The most prominent feature of this project is its location between the main roads in Istanbul, E5 and TEM Highways which provides easy access to Istanbul International Airport.
