Project

Overview

For those who are looking for the best real estate investment opportunities in Istanbul, this project will yield an annual investment return of at least \$ 20.000.

Project

Overview

Rotana project, one of the world lead brand hotel offers to you a real estate investment option. The project was built on a land area of 10.000 square meters, it is a single tower with 31 floors. This project represents a great Investment opportunity in the near future.

Project Site

The strategic location of the project in **Basin Express** area. It is located within an area that includes the finest hotels, major companies, shopping centers, commercial and educational centers in addition to hospitals and universities, and this area has been specifically identified as the best destination for real estate and investment in Istanbul.

Project Site

The project is close to **Bakirkoy** sea por (15 minutes), **Mall of Istanbul**, the largest mall in Europe (5 minutes), and the metro that will open soon in that area is only three minutes away from the project site.
