Project Overview

Project area
320.000 M²

The project was built on a 320,000 square meters land area, and it consists of 4 types of villas.
There are 173 villas and 1 commercial area in the project.
All of the residences in the project are built in 5+2 detached duplex villas.

Project Site

The project is a real investment center with its unique location in Buyukcekmece district on the European side of Istanbul that offers an exponentially increasing investment value for new investment.
