## Project Overview

Project area  
**20.776** M<sup>2</sup>

A residential and investment project built on an area of 20.776 square meters. The project includes 234 residences of different sizes, ranging from 1+1 to 3+1. The project includes 117 offices and 130 commercial units. The project consists of 4 blocks, 3 residential blocks, and one for offices and commercial units. The areas of the apartments in the project range from 53 - 124 square meters. There is a private reception entrance and personal services waiting for you in every building of the project. In the project there is an open shopping mall consisting of 307 stores in addition to the Covered Market and Gold Street, which includes the best goldsmiths in Istanbul.

# Project Site

The project is located on the European side of Istanbul in Kucukcekmece Sefakoy area, which is one of the most central districts of Istanbul.

The distinctive project location on the main road E5.

The metrobus connecting the Asian area of Kadikoy with the European area of Beylikduzu, is located in front of the project the moment you leave your office or home.
