Project Overview

Project area
30.000 M²

The project constructed by a well-known development company with more than 40 years of experience in building.

It was built on a land area of 30.000 square meters, with a ceiling height of 2.8 meters for each apartment.

The project consists of 2 blocks with 436 apartments, 40 offices and 120 shops.

All apartments have large balconies with a dreamy sea view.

Modern and elegantly designed offices that give a sense of luxury and professionalism to your business.

Project Overview

An amazing view of Marmara Sea from your warm home and a shopping avenue downstairs, this will cover your life with all its colors.

All the details, which will make you happy in your new home, are waiting for you with the options of 1+1, 2+1, and 3+1.

The plans of houses were designed by considering all the details, which take the spaciousness and comfort to forefront.

Frontal solutions were produced for enjoying the pleasant view of Marmara Sea and Buyukcekmece Lake continuously.

One of the most important features of the project is that the apartments have a wide balcony with a sea and lake view.

It is given priority to spaciousness and comfort in the plans of the houses in this project.

Project Overview

You can watch Marmara Sea and the Buyukcekmece Lake views both from your balcony and your bedroom.

The pleasure of watching the events and concerts in your balcony without going down is again waiting for you at the Square of the project.

A new generation mall with social facilities, where you can spend time with your family with pleasure and easily meet all of your expectations.

The new address of catering and gastronomy, entertainment, art and fashion will be steps away from your home.

You will find the shopping pleasure, which you seek in this project, with the World's and Turkey's favorite brands.

Cafes, restaurants, children's entertainment areas and commercial areas that will facilitate the everyday life will take place in this project. You can enjoy each moment of shopping.

A total of 170 commercial units will serve just under your home.
