Project

Overview

The project was built on a land area of 46,000 square meters, and it consists of three towers and a square combining these towers.

Project Overview

The project is a very special, with its mixed structure consisting of residences, offices and a shopping mall in one of the most valuable locations in the business world, offering superiority in every aspect.

The project offers apartment options ranging from 0+1 to 4+1 with sizes varies from 61 to 370 square meters.

Project Site

The project located on the European side of **Istanbul**, in Sariyer near to **Maslak** district, one of the largest real estate development areas in the city. It is one of the best life-changing projects in one of Istanbul's most valuable and important locations, near to **Levent and Maslak** districts.
